Criminal No. 1:21-MJ-1020-DH

**Affidavit in Support of Criminal Complaint**

I, Brandy Horton, being duly sworn, depose and state as follows:

1. I am a Special Agent of the Federal Bureau of Investigation (FBI), and have been so employed since August 2020. I am currently assigned to the San Antonio Field Office, Austin Resident Agency, Austin, Texas. I am currently assigned to a violent crime squad where my responsibilities include enforcing federal criminal statutes, including investigations involving bank robbery, Hobbs Act robberies, violent gangs and groups, fugitives, and firearms violations.

2. This affidavit is submitted in support of a criminal complaint against Kashanna Coleman (COLEMAN), year of birth 1994, for violation of Title 18, United States Code, Sections 922(a)(6) and 924(a)(2) (False Statement in Connection with Acquisition of Firearm) and 1001 (Making a False Statement to a Federal Agent).

3. This affidavit is based on my personal knowledge as well as investigative activities by other FBI agents and law enforcement officers. Because this affidavit is being submitted for the limited purpose of establishing probable cause for the issuance of the complaint, it does not contain every fact known to me or other agents of the FBI.

**Probable Cause**

4. Since about April 2021, FBI has been conducting an investigation into an organized criminal group believed to be transporting large quantities of marijuana from California for distribution in and around Austin, Texas, via commercial airline flights to and from Austin-Bergstrom International Airport (ABIA).

5. As part of the investigation, on or about September 8, 2021, FBI executed a federal search warrant issued by this Court at 1908 Shaker Trail, Austin, Texas, a residence being used and maintained by Tyree CLARK. During the search, Agents located a firearm, namely, a FN Herstal, Five-Seven, 5.7x28mm pistol bearing serial number 386193495 (the “Clark FN Firearm”). The firearm, commonly referred to as a “Cop Killer,” found on the third shelf in the kitchen cabinet, was fully loaded, and located with an additional extended magazine and 9mm ammunition. The following are photos of the Clark FN Firearm and the location in the residence where it was found:

6. Previously, on or about March 16, 2021, CLARK was stopped for traffic violations by Texas Department of Public Safety and Austin (Texas) Police Department (APD) personnel and was subsequently arrested for the offenses of Possession of Marijuana and Driving without a License. As part of the arrest, officers seized CLARK's mobile phone.

7. CLARK's phone was later searched under the authority of a state search warrant (SW21100537) issued by a state judge in Travis County, Texas, and found to contain, among other things, photos depicting CLARK holding and displaying large amounts of U.S. currency. It is believed the currency may have been obtained from narcotics trafficking, based on the presence of additional photos depicting marijuana and what appeared to be marijuana being packaged for sale. Also found were photographs depicting CLARK holding various types of firearms and messages with individuals inquiring about purchasing firearms.

8. Open-source research revealed that CLARK's phone number appeared to be associated with Snapchat username "ree-ree78724."

9. Under the authority of a state search warrant (SW21101199) issued on or about

June 1, 2021, by a state judge in Travis County, Texas, for the account associated with Snapchat username “ree-ree78724,” the account revealed a video taken by CLARK on or about February 28, 2021. The video depicted CLARK inside a vehicle showing off a new firearm in his possession. The video included a receipt dated February 19, 2021, of a “FN 5.7 pistol” purchased for \$1,606.80. Additionally, during the same video string, CLARK can be seen holding the newly purchased FN firearm while zooming in on the gun box built for the FN pistol, which also contained accessory items. In the video, CLARK can be heard saying “this my newest member to the Clark Cartel.” The following are still photo outtakes obtained from the video:

10. In or about August 2021, FBI contacted the entity listed on the receipt, North Gaston Gun Shop, in Dallas, North Carolina. An employee of the North Gaston Gun Shop

informed investigators that the entity's records showed that the firearm was purchased by COLEMAN and shipped to Elite Guns, Inc., 2121 W. Parmer Lane, Austin, Texas. The employee further stated that the serial number for the firearm purchased by COLEMAN was 386193495, which is the same serial number for the Clark FN Firearm located at 1908 Shaker Trail, Austin, Texas, on September 8, 2021, described in paragraph 5 above.

**Text Messages Between COLEMAN and JM Found on JM's Phone**

11. In about March 2021, APD opened a case regarding a shooting involving a Draco style firearm at the Midtown Barbershop in Austin, Texas. During the investigation, APD discovered the shooting possibly stemmed from an alleged kidnapping that took place on or about February 13, 2021 involving JM, a person of interest whose identity is known to me. APD obtained information from a victim involved in the Midtown Barbershop shooting who stated that he only knew of two people with a "Draco" gun that he had "beef" with and one of those people was JM. Additionally, APD met with a confidential informant who said that JM frequently posted on Snapchat, including posts about his marijuana sales and flashing guns, specifically a "Draco" style gun.

12. On or about March 29, 2021, APD stopped JM for running a red light by APD Violent Crimes Task Force Officers. In the course of the encounter, APD seized JM's mobile phone. JM's mobile phone was later searched under the authority of a state search warrant (SW21100605) issued by a state judge in Travis County, Texas.

13. A forensic digital examination of JM's mobile phone revealed several images of suspected marijuana, guns, and a text string between JM's phone (phone number ending in 7362) and a phone number ending in 8699 with the contact name "M.23". According to information from T-Mobile, COLEMAN was the listed device user for phone number ending in 8699 from at

least as early as June 09, 2018 and continuing through on or about May 19, 2021, at a residence in Pflugerville, Texas, believed to be COLEMAN's mother's residence. Additionally, the text strings contain multiple selfie images of COLEMAN that were sent from the phone number ending in 8699 to JM's phone.

14. The text message strings contained numerous text messages from approximately November 2019 until March 2021. Based on a review of the text message strings, it appeared that COLEMAN and JM were in an intimate relationship with each other. Among other things, COLEMAN sent text messages to JM of items that she purchased for him, including clothes, shoes, headphones, and one or more firearms.<sup>1</sup>

15. On or about March 6, 2020, COLEMAN texted JM a screenshot of multiple different mini micro-Draco AK47 firearms from a Google search. About an hour later, JM (referred to in the text message strings below as "JM") and COLEMAN exchanged several text messages including the following:

*JM: Sweetheart. SIG SAUER 9mm- name of gun. Need extended clip. In club.*

*COLEMAN: Okay baby going back to bed goodnight and I love you.*

*JM: And battery for beam on SIG SAUER 9MM. Goodnight love you more. SIG SAUER 9mm p365 name of gun.*

*[JM then sent a photo of a SIG SAUER 9mm]*

*JM: If you need to show them the gun.*

*COLEMAN: Okay I gotcha.*

16. On or about March 7, 2020, COLEMAN texted JM letting him know that she was at Reds Indoor Gun Range getting ready to shoot. JM asked COLEMAN if she is going to ask

about “the stuff,” COLEMAN responded with, “yes sir.” JM then sent COLEMAN a screen shot of a P365 SIG SAUER with a black outline around the trigger guard on the firearm. COLEMAN responded with “battery right” and JM said “yes.”

conversation:

[COLEMAN sent JM a picture of a box with her name on it at a gun shop, the shipping information said “Kashanna Coleman, Elite Guns, ste 107, 2121 W Parmer LN, Austin, Texas 78727”]

26. On or about September 3, 2020, COLEMAN completed, signed, and certified as true an ATF Form 4473, Firearms Transaction Record, in connection with the acquisition and purchase of a Micro Draco model pistol, serial number PMD-20795-20 from Elite Guns, Inc., a federal firearms licensee located in Austin, Texas, in the Western District of Texas. COLEMAN answered “Yes” in response to Question 21.a. of the ATF Form 4473, which asked “*Are you the actual transferee/buyer of the firearm(s) listed on this form and any continuation sheet(s) (ATF Form 5300.9A) Warning: You are not the actual transferee/buyer if you are acquiring the firearm(s) on behalf of another person. If you are not the actual transferee/buyer, the licensee cannot transfer the firearm(s) to you. Exception: If you are only picking up a repaired firearm(s) for another person, you are not required to answer 21.a. and may proceed to 21.b.*” Based on the aforementioned facts, there is reason to believe that COLEMAN knowingly made a false statement in response to Question 21.a. when, in truth and fact, as COLEMAN then knew, COLEMAN was not the actual buyer of the firearm and acquired the firearm on behalf of another person. On the ATF Form 4473, COLEMAN stated she then resided at the address for her mother’s residence in Pflugerville, Texas.

COLEMAN then sent JM two images of an FN firearm bearing the serial number 386193495, situated inside a firearm case conforming to the firearm:

The first image depicts what appears to be the Clark FN Firearm that was later obtained during the search of CLARK's residence at 1908 Shaker Trail on September 08, 2021. The second image depicts what appear to be the Clark FN Firearm in its case, a firearm transfer form containing the same serial number as the Clark FN Firearm, a box of bullets, and the holster that COLEMAN told JM she purchased for him in the previous message thread.

33. On or about February 23, 2021, COLEMAN completed, signed, and certified as true an ATF Form 4473, Firearms Transaction Record, in connection with the acquisition and purchase of an FN Five-Seven model pistol, serial number 386193495 from Elite Guns, Inc., a federal firearms licensee located in Austin, Texas, in the Western District of Texas. COLEMAN answered "Yes" in response to Question 21.a. of the ATF Form 4473, which asked "*Are you the actual transferee/buyer of the firearm(s) listed on this form and any continuation sheet(s) (ATF Form 5300.9A) Warning: You are not the actual transferee/buyer if you are acquiring the firearm(s) on behalf of another person. If you are not the actual transferee/buyer, the licensee*

*cannot transfer the firearm(s) to you. Exception: If you are only picking up a repaired firearm(s) for another person, you are not required to answer 21.a. and may proceed to 21.b.”* Based on the aforementioned facts, there is reason to believe that COLEMAN knowingly made a false statement in response to Question 21.a. when, in truth and fact, as COLEMAN then knew, COLEMAN was not the actual buyer of the firearm and acquired the firearm on behalf of another person. On the ATF Form 4473, COLEMAN stated she then resided at the address for her mother’s residence in Pflugerville, Texas.

34. On or about February 24, 2021, COLEMAN and JM had the following text conversation:

*JM: Thank you baby*  
*COLEMAN: Yw [you’re welcome] baby I love you*  
*COLEMAN: Did the gun fit*  
*JM: Yea this shit 3 kool*  
*COLEMAN: Let me see baby*

35. On or about March 07, 2021, COLEMAN and JM had the following text conversation:

[JM sent COLEMAN the following photo of a Micro Draco firearm that resembled the same Micro Draco firearm that COLEMAN purchased for JM on or about August 28, 2020]

*COLEMAN: I was just about to ask what you doing your must be watching tv*

*JM: Me and baby been sitting here all day lol*

36. On or about September 22, 2021, COLEMAN was voluntarily interviewed by me and other FBI personnel. COLEMAN was informed that the interviewers were FBI Agents and Task Force Officers, who identified themselves to her as such.

a. COLEMAN stated she was employed as a License Analyst with the Texas Department of Public Safety. During the interview, COLEMAN was asked about the Clark FN Firearm that was located at 1908 Shaker Trail, Austin, Texas. COLEMAN stated that she left the firearm at 1908 Shaker Trail, the residence of Joniqua Mendez (who is also known as Joniqua Clark), during Joniqua Mendez's birthday party. COLEMAN stated she left her firearm in a locked case but did not remember where she left the firearm. COLEMAN purchased the FN 5.7 firearm around February 2021 and has had the firearm in her possession locked in her house since the date she picked it up. COLEMAN has never let anyone borrow the firearm for any reason. COLEMAN

stated she had never purchased a firearm for anyone.

b. At the end of the interview, COLEMAN was asked if she had any self-employment and she responded “no” and that she works for the Department of Public Safety as a full-time License Analyst.

c. It should be noted that during the search of CLARK’s residence on September 8, 2021, agents did not locate a firearms case in the vicinity of the Clark FN Firearm or anywhere else in the residence.

37. On or about October 11, 2021, COLEMAN was voluntarily interviewed by FBI personnel. The interview was coordinated with COLEMAN’s attorney, Amber Vasquez, who was also present during the interview. COLEMAN and Ms. Vasquez were informed that the interviewers were FBI Agents, who identified themselves to her as such. The following is a summary of the material portions of the interview:

a. COLEMAN was asked a series of similar questions that were asked during her first interview on September 22, 2021. COLEMAN stated she attended a birthday party at Joniqua’s house on September 07, 2021. COLEMAN carried her FN pistol, which she said was still inside the case, inside of her purse to the party at Joniqua’s. COLEMAN left her FN pistol (along with the firearm case) at Joniqua’s house after the party because COLEMAN was drunk. COLEMAN could not remember where she left her gun in Joniqua’s house before she departed. COLEMAN stated she departed the residence after the party in the early morning hours on September 08, 2021 but could not remember the exact time. COLEMAN drove her own vehicle when she left the party. [Affiant’s note: Information from Texas DPS, COLEMAN’s employer, indicated that COLEMAN had called in sick on September 7 and September 8, 2021, and was not present at work.]

b. COLEMAN was asked how Tyree CLARK had possession of her firearm in February. COLEMAN stated she did not know how CLARK had possession of her firearm.

c. COLEMAN was informed about a Snapchat video CLARK shared on his Snapchat account in February in which he was depicted holding the exact same model FN firearm with similar markings to the FN firearm that COLEMAN purchased (i.e., the Clark FN Firearm) along with the receipt showing COLEMAN purchased the firearm. COLEMAN was asked again how CLARK had possession of her FN firearm with her receipt from the selfie style video that CLARK took. COLEMAN then stated she loaned the firearm to Joniqua and CLARK to use at the firing range for a week or two. COLEMAN stated she doesn't remember the exact date of when she loaned it to them, but that it was in February. COLEMAN did not address why CLARK had the receipt in his possession.

d. COLEMAN was asked by investigators if anyone had ever asked her to purchase a firearm for them. COLEMAN responded "no." COLEMAN was provided with a picture that was obtained from previous phone analysis of a Draco firearm that she had purchased in September 2020. COLEMAN was then asked again if anyone had ever asked her to purchase a firearm for them and she stated she did not want to answer that question. COLEMAN stated that the Draco style firearm that she purchased is at her apartment.

38. On or about December 6, 2021, I contacted COLEMAN's attorney, Amber Vasquez. Amber Vasquez stated that COLEMAN had the Draco firearm in her (COLEMAN's) possession and was willing to deliver the Draco firearm to the FBI. With her attorney's permission, I then contacted COLEMAN by phone to arrange a time for her to meet with me at the FBI office located at 12515 Research Boulevard, Austin, Texas, to deliver the Draco firearm. COLEMAN did not show up at the agreed-upon time and place. As of the date of this Affidavit, COLEMAN

has never delivered the Draco firearm to the FBI, nor has COLEMAN or her attorney ever contacted the FBI again about the Draco firearm or delivering the Draco firearm to the FBI.

**Conclusion**

39. Based on the foregoing, there is probable cause to believe that the Defendant Kashanna COLEMAN committed the offense(s) set forth in the attached Criminal Complaint.

FURTHER AFFIANT SAYETH NAUGHT.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.
